

SOUND LIKE NO OTHER

NEW ANGLES OF NATURAL HEARING

WIDEX **SMARTRIC**[™]

SMARTER BY DESIGN

SEE WHAT PEOPLE ARE SAYING ABOUT THE SMARTRIC

With new angles of natural hearing, Widex SmartRIC is the SMARTEST Widex product to date. Featuring a groundbreaking design, SmartRIC brings the benefits of exceptional focus, ultimate convenience, and unparalleled aesthetics.

Built on the unique Widex technology, this upgraded platform combines innovative hardware with a smarter approach to sound for an experience that can only be found with the Widex SmartRIC.

WIDEX SMARTRIC™

EXCEPTIONAL FOCUS

“I was really drawn to the improvement in the signal to noise ratio with the directionality of the microphones. Our number one complaint from patients is difficulty hearing in noise.”

Erin Rellinger, Audiologist
The Hearing Center at Eye
Consultants of Atlanta

ULTIMATE CONVENIENCE

“The extended battery life is a game-changer that every SmartRIC wearer will appreciate.”

Felix Cruz, Hearing Instrument
Specialist and Owner
The Cruz Hearing Aid Service

UNPARALLELED AESTHETICS

“I really love the SmartRIC. I think it looks modern; it looks cool. The SmartRIC is unlike any other product on the market right now.”

Ariel Freundt, Audiologist
Pacific Hearing Service
